

20 youth complete TRAIL program

We would like to thank all the Boys and Girls Clubs Warm Springs Branch members who participated in the 1-mile Fun Run-Walk at the club, school, and campus area after school on April 11.

We would especially like to thank our volunteers Althea Walker and Steven Smith for their assistance and support.

The Fun Run-Walk was held to conclude the end of our first Round of TRAIL (Together Raising Awareness of Indian Life), a youth diabetes awareness program.

We had 20 out of 35 participants complete the 12 chapter curriculum. The participants learned about nutrition, healthy eating habits, physical activities, environmental awareness, community service, media influences, general history of the area and tribe, and overall respect for themselves, others, and community.

These young people completed the first round of the TRAIL youth diabetes awareness program, which concluded with a Fun Run-Walk earlier this month.

The run-walk is one event of two that the TRAIL members planned for the club and community.

The club members will be holding another event the week of April 25-27, from 3:30 to 4:30 p.m., to help plan the start up of the club garden.

We will be starting round two of TRAIL the beginning of May. It is open to youth of all ages.

If you are interested or want more information please call 553-3161. You can also stop by the Boys and Girls Club at 1107 Wasco St. anytime before 3 p.m.

Monday through Friday.

We also encourage community members to volunteer throughout the year for different events.

Thanks again,
Jocelyn Moses, TRAIL program coordinator

Museum hosting science camp in May

The Museum at Warm Springs will host the Seeds of Discovery science day-camp for fourth-graders on Friday, May 11.

This year the science camp will include presentations by the World Forestry Center and the Central Oregon Audubon Society, which will be new at the camp this year. OMSI will be present, as in years past.

Close to 300 fourth-graders of the Jefferson County 509-J School District will participate in the camp, said Rosalind Sampson, education coordinator at the Museum at Warm Springs.

The Seeds of Discovery science camp is funded by a grant from NASA.

Girl Scout troop forming to serve Warm Springs

A new Girl Scout troop is forming in Warm Springs.

Danni Katchia, Natalie Kirk-Moody and Priscilla Whittenburg are planning to be the troop leaders.

Katchia has said she will be the leader of the Daisy Scouts, for girls ages 5 and 6 (k-1st grade).

Kirk-Moody and Whittenburg are leaders of the Brownie troop for girls ages 7 and 8 (2nd-3rd grades).

There currently is no leader for the older age girls. "We are currently in the process of recruiting girls and parents who are interested in participating," said Katchia. "We are all new at this but we would like to bring something positive here for the local girls."

Anyone who is interested should call Katchia at 553-2102 or 325-6790; or e-mail at dkatchia@wsfpi.com.

Gamesroom tourney fun for youth

Waymon Harry, Lynden Harry and Soraya Mendez participated in the Boys and Girls Clubs of Central Oregon Regional Gamesroom Tournament in Madras earlier this month.

They competed with about 70 other youth from other clubs around Central Oregon, including Bend, Redmond, Terrebonne, Ariel Glen (Bend site), Prineville and Madras.

The competition was very good and the winners from each event and age division (6-8 years, 9-11 years, 12-14 years, and 15-18 years) will move on to compete in the State Gamesroom Tournament in Portland on Saturday, May 12 at the Blazer Club.

It was a long, tough day, but Waymon, Lynden and Soraya stuck it out. They were able to compete in three events available for their age, including checkers, chess, table tennis (ping pong), pool, bumper pool and foosball.

Soraya placed third in checkers for her age division (6-8

Waymon Harry

Lynden Harry

years old).

Lynden tried checkers, bumper pool, and foosball but did not place for the 6-8 year olds.

Waymon Harry placed second in table tennis for the 12-14 year olds. He also received a Sportsmanship award and will be traveling to Portland on May 12 to compete again.

Great job, kids! You represented the Warm Springs Club and Club members well.
