Rachelle Begay graduated on June 2, 2007, from Dufur High School.

During the school year, Rachelle was honored as a Student in the Spotlight for her positive attitude and academic efforts throughout her four years at Dufur High School.

She participated in the Ranger basketball program during her sophomore and junior years.

Her response to the question, "What is your greatest accomplishment?" was, "My

greatest accomplishment I've achieved at Dufur is being able to go through my high school years here in Dufur and having

the opportunity to graduate.

"I would like to thank my parents and grandparents for all the encouragement and inspiration they've given me throughout the years. I also want to thank all of my high school teachers who have given me all the knowledge I've gained."

Rachelle plans to attend Yakima Valley College, where she will major in dental hygiene next fall. She is the daughter of Wilson and Roxanne Begay.

To our recent graduate

We want to take this opportunity to congratulate our nephew, Francis Gonzalez, as he has graduated from North Salem High School in Salem. We are very proud of him and wish all the best as he makes the right decisions for his future. He has always been a great kid and a very humble young man. He is the son of Sarah (Greene) and Jose Luis Gonzalez. He has a young sister who will be a junior this next fall and two older brothers who have graduated from high school and went on to college and university studies. I know that if our parents (Verbena and Perry Greene and Harold Greene) were here today they would be just as proud of Francis.

The school required tickets

to attend his graduation and he was very honored to have his grandmother Onte Lumpmouth and his aunt Coleen Greene-Reed attend his graduation. He understood that his other grandmother, Bernice Mitchell, was unable to attend the event. The next day his family had a barbecue for him so some of his family members were able to honor him and everyone had a great time. Again, we want to say we are very proud of our nephew and wish him the best today and forever.
