## New car

Vernon and LaDonna Squiemphen, Dad and Mom, first of all I just want to say, "Thank you!"

Thank you for helping me get

a new car. Mom for fast talking me into trading off my lil Honda, and smooth talking the sales guy... and Papa for helping me out by co-signing with me.

I am going to try my hardest

to keep it nice and keep up on those car payments. I couldn't have done it without the both of you, and with both of you believing in me makes it all the better.

This really means a lot to me. Both me and Sonny really like it, at least this car has color according to Lennox and we got to keep our wheels... again I just wanted to show our appreciation and recognition for helping us out.

Thank you both very much and we love you very much.

With lotsa love always,  
**Miz Marcellina Picard and Mr. Lennox A. Lewis-Picard.**

P.S. I will trade my car for the Durango, anytime.

This is the first apology letter personally written by me. The couple of people that were hurt... They tried to stop me and almost hit me while doing that. I was having a bad day and they got in the way. I did not mean to trouble you but it just happened, so I hope you accept my apology. To the Warm Springs Reservation and the people that live in and around there is a misunderstanding about my situation as it fast as it happened. There was no foul play involved. So that means that no one gut hurt that happening still troubled me.
