Warm Springs Senior Program hosted the Eighteenth Annual Honor Seniors Day this month at the Agency Longhouse. The theme this year was 'Mardi Gras Fun Day.'

It was truly Honor Senior Day from beginning to end, as Warm Springs' special guests were laughing and having a good time throughout the day.

The first event on the agenda was a powwow by the children of the Early Childhood Education Center. The children also presented special hand made gifts to the senior citizens.

After the powwow, the veterans came forward and introduced themselves, and told what branch and which war they had served in.
