

# Casino in the works

Heavy machinery is moving at the future location of the new Indian Head Casino, located along Highway 26 in Warm Springs.

Contractors are requesting workers with necessary skills through the Job Creation Department (formerly WEDD) in the old Spilyay building on campus.

This is good news for the reservation, as unemployment in the region remains high.

Another training with an engineering firm out of Portland is scheduled in two weeks.

Tribal members may sign up by calling Pam at 541-553-3324.
