

## Jamboree Day

Over 300 people enjoyed the attractions at Family Jamboree Day held at the Community Center last Wednesday. The inflated water slide and Tommy's snow cones were the perfect answer to the rising temperature.

Kids lined up anxiously waiting for their turn to rock climb, bounce in the Jungle Safari, or run through the Rat Race obstacle course. Evidence of a successful event were the smiles on all of the kids faces as they ran from one ride to the next.

Carol Sahme, organizer and Community Center employee, commented, "It was nice to see all of the families enjoying themselves. I want to give a big thanks to the Summer Youth workers who make it possible to put on the Family Jamboree Day." Youth workers supervised the different play structures, ran the games, and picked up trash that was left behind.

The Jamboree is an annual event that has provided fun summer memories for generations. One of the most memorable was the year that the hot air balloon got away.

Kiersten Anderson, Annalise Whipple, Monika Stacona, Kaliyah Iverson, and Kinley Scholl (left to right), enjoyed all the activities that the Family Jamboree had to offer this year.
