

THE CONFEDERATED TRIBES LANGUAGE LESSON

Autni Ichishkiin Sapsikwat (Sacred Language School)

Jayce Wallulatum

Aaron Red Dog

We have two class rooms but the students all eat together, they sing the "Table Song" all on there own. The Language Instructors are in the background of the students until they "chuush"

We have 11 students in this years classes. There are returning students from last school year, did refreshers of all they learned and are moving on to a bit more this school year, the newer students are lerning all the basics for now and continue to excell in the language.

Our Elders, Wilfred & Geraldine Jim will be teaching cultural craft / sewing classes for the parents of our students.

Because our students are called on by a number of departments or organizations to perform what they learned.

During performances, our students dress traditional, with Wing Dress, Ribbon shirt, Moccasins.

Its such a blessing to have our valued elders take time to help and contribute to our students and parents.

We had one class so far for the parents of our student, we have 5 more weeks, and after the six weeks is completed we will have another 6 weeks series for the parents.

We want to commend Stanley and Lianna, for your commitment to participating with your child. Stanley III was a student last school year, and you both contributed personal time in activities we had for your child.

Also, Minnie all the contributions you have done on behalf of Aaron, our AIS and teachers appretiate everything you have done for your child, and your participaton at our activities we thank you for that.
