

MHS Soccer

Dave McMechan/Spilyay

Kalan Wolfe scored two of the first three goals for the Madras High School girls soccer team this season. Kalan, a sophomore, lettered in several sports at the high school during her freshman year. Her favorite, she said, is basketball. On the soccer field she can play both offensive and defensive positions. The MHS girls play at home at 4:30 p.m. this Thursday, Oct. 3, against Mollala.

Why Knot Rodeo

The Simnasho community hosted the Second Annual Why Knot Rodeo. The rodeo saw action in the barrel racing divisions, and the wild horse race competition, as shown in the photos.

There was an endurance horse race, and roping events, plus the stick horse race and boot race. Mackey Begay sponsored the bull riding with \$1,000 added. The professional wild horse race was also \$1,000 added.

Madras High School had their Homecoming last weekend. The MHS home games are at Culver this year, as the Madras field is under construction.

Hunting update

Please come by the Natural Resources office to pick up your tags, a state lands 2013 Big Game Regulations Guide, and to sign up for lottery hunts.

Tags will be issued on a first-come first-serve basis. You may pick up your tag up to two days before the start of the hunt.

Due to the 2013 cost containment directive, the Natural Resources office will be closed Friday, October 11 and Friday October 25 for reduced work hours.

Tags for hunts starting the following Saturdays may be picked up the Wednesday and Thursday before. Hunting information is now available on the fishing and hunting hotline available at 541-553-2000.

There have been reports of poaching on and off the reservation, please help protect the tribes' wildlife resources by reporting poaching violations to our poaching hotline at 541-553-8300.

Reservation hunting

Deer season: September 28–October 31.

Elk season: November 2–November 30

Bear season: Fall: September 21–November 30. Spring: April 15–May 31, 2014.

Cougar season: September 21, 2013–March 30, 2014.

Ceded land hunting

Please take advantage of Ceded Land hunting tags: These opportunities take hunting pressure off the reservation, which may help improve wildlife populations.

Ceded Land hunting tags must follow Oregon Department of Fish and Wildlife regulations. Reference the hunt number (for example, WS 438) in the ODFW Big Game Regulations Guide Book for detailed hunt boundary descriptions.

It is the hunters' responsibility to know where they are hunting, where they are allowed to hunt, what weapons they are allowed to use and what the bag limit is.

Ceded Land Hunting is designated for public (unclaimed) lands. Private land hunting access must be approved by landowners.

ODFW hunt regulations and detailed maps may also be found online at: dfw.state.or.us

For questions regarding hunting please contact the Natural Resources Department at 541-553-2001.

For 2013 there is mandatory reporting of all hunter harvest.

Failure to report harvest results for for ceded land and reservation hunts will result in a loss of hunting privileges for subsequent tags.

Please be honest with your reporting. If you are issued a tag, you have the right to hunt and harvest an animal. Harvest and hunting information is important for the wildlife department in determining wildlife population sizes, herd compositions and hunting pressure.

In addition, this information helps us determine where there are, and are not animals, which helps focus our habitat restoration efforts.

Your continued support and participation with hunter reporting is greatly appreciated. Thank you for your participation!

The Warm Springs Wildlife Department.
