A Message from Rick Molitor
Superintendent

As I reflect on last month's Thanksgiving holiday, I can't help but be grateful to our local communities for their support of our students and schools. Beginning with the passage of the school bond in 2012, through the creation of our new Strategic Plan, community members have stood by our District as champions and advocates for the children of Jefferson County. As we enjoy the final month of 2014, please join me in celebrating the upgrades to all of our buildings, our new Warm Springs K-8 Academy, along with the Madras High School Performing Arts Center and Sports Complex. These new facilities send a clear and powerful message to our students, teachers and staff. They remind us that this community values education and a brighter future for all of us. I also want to thank and recognize our amazing District team for their incredible work and dedication as well as each and every one of our students and their families. On behalf of our school board, I wish you all a safe and happy holiday season. We'll see you in 2015!

— Rick Molitor

JCSD Alumni: Where are they now?

Do you know a JCSD alumni who has moved on to college and/or career success? We are looking to feature our graduates in future *Schools in Action* updates. If you know of a former student, drop a note and photo to Superintendent Rick Molitor: rmolitor@509j.net.
