BPA Summer Internships

AISES is seeking applicants for the Bonneville Power Administration (BPA) internship program.

One to two positions will be available in BPA's Transmission Services in one of the following organizations: Planning and Asset Management, System Operations, and Engineering and Technical -- depending on the students' engineering major of study and interest.

Another position will be open in BPA's Fish & Wildlife Program. For this internship, the first and last week are spent at the BPA Headquarters in Portland, where the intern is exposed to work completed by the BPA Fish and Wildlife Program -- a nearly \$300 million annual program that implements fish and wildlife related projects in the region.
