

Travel Plaza: plan to open next spring

(Continued from page 1)

On hand for the groundbreaking last week were gaming board members Fran Ahern, Priscilla Frank, J.P. Patt and Ted Kulongoski. Board member Elizabeth Furse was unable to attend.

Council Chairman Austin Greene Jr. and Councilman Lee Tom gave the opening

song and blessing. Mr. Carstensen then served as master of ceremonies. He introduced tribal engineer Travis Wells, who will be the main on-site representative for the casino and tribes.

The tribes' acquired the Madras Industrial Park property in 1977 as part of Warm Springs Forest Products In-

dustries. This is trust land, not subject to city or county property tax; but the acreage has been in disuse for several years.

The Plateau Truck Stop will change that, bringing an exciting new business opportunity for the Confederated Tribes.

Offers go out from Land Buy-Back program

The Department of the Interior this week announced that nearly 3,600 landowners with fractional interests at the Yakama Indian Reservation have been sent purchase offers from the Land Buy-Back Program for Tribal Nations.

The Buy-Back Program implements the land consolidation component of the

Cobell Settlement, which provided \$1.9 billion to purchase fractional interests in trust from willing sellers at fair market value.

Interests consolidated

through the program are restored to tribal trust ownership for uses benefiting the reservation community and tribal members.
