Golf fundraiser helps Native sports film

The Forgotten Warriors Fundraising Golf Tournament is this Friday and Saturday, August 4-5 at Chinook Winds Casino Resort in Lincoln City. The event will help raise money for a documentary

film on the importance of sports programs in Native American communities. The film, *Forgotten Warriors, A Decade of Dominance*, portrays the 1971-1981 San Pasqual Valley High School football teams, a reservation

school that won several state championships in California. The documentary focuses on inspiring Native youth, encouraging sports programs and understanding the link to positive physical and mental health.
