

OneBeat returns to W.S.

OneBeat is returning to Warm Springs. OneBeat brings together 25 adventurous musicians from 17 countries to explore how the arts can renew and restore perspectives, spaces and societies.

They will be at the Museum at Warm Springs for a series of workshops this Wednesday and Thursday, September 27-28; and Tuesday and Thursday, October 3 and 5. Each day 3:30-5:30 p.m.

In this workshop series, students will be able collaboratively make music with the musicians from around the world.

All skill levels welcome. No experience necessary, but if you have any instruments, bring them. Come for the first workshop and sign up for the following three sessions.

Any questions, call Elizabeth Quinn 541-419-9836.

OneBeat is an initiative of the U.S. Department of State Bureau of Educational and Cultural Affairs. The producer is Bang on a Can's Found Sound Nation.
