

# Eagles Sports Spotlight

Fall sports—cross country, football and volleyball—are in full swing at the Warm Springs Academy.

This week we feature athletes Marilyn Tom, who plays volleyball, and André Spino, football player for the Eagles.

Marilyn is in the eighth grade, and has played volleyball since the fifth-grade.

She also plays softball and basketball. She plans to continue with sports next year at the high school.

Her favorite subject at the Academy is Social Studies. Her parents are Sharon Katchia and Corbett Tom Sr.

Marilyn has two brothers and two sisters. Her older brothers are in high school, her older sister is working, and her younger sister

Marilyn Tom

goes to the Academy.

André also is an eighth-grader. He mostly plays safety for the Eagles football squad. He also likes track and wrestling.

André Spino

His favorite subject at school is PE, “because you get to be active,” André says.

His mom is Tina Spino, and André has one brother at the high school.

He likes football because of Coach W. and his teammates.

“Everybody on the team respects each other,” André says. “We don’t put each other down, so we all like being on the team.”
