

Tribal Veterans ~ 2018

Native Americans serve in the military at a higher rate than any other ethnic group. A great example of this is the Confederated Tribes of Warm Springs, where more than 500 tribal members have served, beginning in 1800s through the present day. A thank you to Susan Guerin, the Ladies Auxiliary, Elliott Palmer VFW Post, and Eugene Greene Sr. American Legion for compiling this list of Warm Springs members who have served in the United States military:
