

## W.S. American Legion Auxiliary invitation to Girls State program

by Warm Springs  
American Legion Auxiliary

The American Legion Auxiliary Girls State program—first presented in the late 1930s—is one of the most respected experiential learning programs in

the United States.

About 16,000 young women participate in weeklong American Legion Auxiliary (ALA) Girls State programs across the nation each summer.

Each state's American Legion Auxiliary manages its own ALA Girls State

program, so they may vary in content and method of procedure, but each adheres to the same basic concept:

Teaching government from the township to the state level.

Using a nonpartisan curriculum, participants

assume the roles of government leaders, campaigning as 'Federalists' and 'Nationalists' to become elected officials in their mock ALA Girls States.

During the immersive-learning program, delegates live in 'cities' within a dormitory on a college or uni-

versity campus.

The knowledge, memories, and friendships they take home last a lifetime.

The American Legion Auxiliary Girls State program develops leadership and pride in American citizens.

ALA Girls State edu-

cates citizens about our system of government; and instills a greater understanding of American traditions.

The program stimulates a desire to maintain democratic governmental processes within our republic.
