

# Plan for second annual fire fighter memorial

The Confederated Tribes Fire Fighter Memorial has been set for October. This year's event will be at the Agency Longhouse, as long as the facility is available. The memorial will be on October 5.

This year the group will be recognizing the original Inter-Agency Hotshot Crew, or the Warm Springs Forest Crew, which they were known as in the early 1980s.

All families are welcome to participate in honor of a loved one on this day. Whether your loved one was on the crew in the past or not, this is a recognition day for all past fire fighters from here or other

agencies.

Last year we had approximately 250 community and family members from Warm Springs and other agencies.

We will be having fundraisers up until October 5; so come out and support the cause. Donations are also accepted. Our goal is to raise \$8,000 this year.

We will keep the community informed as the date approaches. If you have any questions, feel free to contact me at 541-553-3136.

Thank you,  
**Luther Clements.**
