Market starts soon

Since the spring of 2013, the Warm Springs Community Action Team has operated the Friday Outdoor Market. The market provides community members a place to sell locally made arts, crafts, value-added foods, and locally-grown fruit and vegetables. The market has grown each year, averaging over nine vendors each week. This year Tananawit, the Community of Warm Springs Artists, will facilitate the market. The Outdoor Market is open for the 2019 season on the following Fri-

days: June 14 and 21; July 5, 7 and 19; August 2, 16 and 30; and September 30. If you would like to become a Warm Springs Friday Outdoor Market vendor, please contact the Community Action Team and Tananawit at 541-553-3148.

Warm Springs Sanitation reminds residents to place their tote at the road. This will help them save time so they can do all the scheduled pick up with the staff and equipment they have available right now. If you have questions, call the landfill at 553-3163.
