

# 2020 to see long-awaited high safety project

A good part of 2020 will see road work on Highway 26 through the Warm Springs community.

There will be some inconvenience—during the construction period, traffic will be limited to one lane—but the long-term benefits will be more than worthwhile.

For pedestrians some areas of the highway through Warm Springs—from the Shell station past Indian Head Casino and the Museum at Warm Springs—are among the most dangerous in the region.

The issue is that up to 7,000 motor vehicles a day travel through Warm Springs

on Highway 26. This is good for business opportunities, such as at the casino and museum, the gas station, and future development on campus.

Along with the motor vehicle traffic, though, this area of highway is popular with pedestrians who are walking or on a bicycle.

Nighttime, and during snowy or rainy weather, can be especially difficult for pedestrians. The tribes and Oregon Department of Transportation initiated the Highway 26 Warm Springs Safety Corridor project five years ago.

The design is now ready

The tribes some years ago dedicated Highway 26 through the reservation in honor of tribal war veterans.

to go to bid, in the spring. The work will begin later in the spring or early sum-

mer, with the finish date sometime before the end of the year.

The specific segment of Highway 26 that will see the improvements is from milepost 103 to milepost 112.

The funding from ODOT is in the amount of \$1.3 million. Additional funding comes from ODOT enhanced funding. The money will pay for safe pedestrian sidewalks, and bike path connections for residents in the area.

In addition to the pedestrian and bike path work, the project includes rock fall mitigation.

## Shopping bags from KWSO

Starting on New Year's Day stores and restaurants in Oregon can no longer offer single-use plastic bags.

That means you will need to either purchase a paper bag, or bring your own reusable bag. The KWSO online store now has reusable shopping bags made from recycled material.
