These graphs—bottom at left and below—chart reservation Covid-19 case demographics as of mid last week, the day before Thanksgiving Day. The hope among health and other tribal officials is that the holiday season would not lead to new spikes in the positivity rate among the membership, as happened following Memorial Day and July Fourth. *Please practice safety to protect yourself, family and friends, and the community: Avoid large gatherings, social distance, wear the mask, wash your hands.* Information provided by Community Health, IHS, Health and Human Services, and the Confederated Tribes Covid-19 Response Team.
