Two abandoned structures by Tenino Road burned on Sunday, June 27. A Warm Springs Fire and Safety crew responded, containing the blaze within the surrounding brush. Police dispatch received the initial report at 2:30 p.m. On the scene were Warm Springs Fire and Safety, Police, Emergency Management, Jefferson County Fire, and Emergency Medical Services.

Tribal community covid demographics

The following are the Covid-19 case demographics for the reservation and tribal community as of June 23, 2021, as compiled by IHS, Community Health and the Covid-19 Response Team. On that date there were two reported active cases (and earlier this week at one). As of June 23 since the pandemic began: Cumulative cases among the community is 873, including cases where testing was conducted at an off-reservation facility. Total breakthrough cases: eight. Hospitalized: one. Expired: one. Underlying health conditions: five. Age range: 22- 77. Variant tests sent: two. Results: P1 (Brazil). See Demographics on page 6.

State of Oregon Covid-19 update
