## Greater convenience at Housing

D.Mechan/Spilyay

The Warm Springs Housing Authority recently completed a renovation and addition project, adding much-needed new office space. In addition, Housing now has a drive thru window.

The new wing at Housing turned out great: Before, some of the employees had to use spaces such as the conference room for an office. Project manager for the Housing building improvement was Eli Smith.

The entrance is now at the southern part of the building. If you need to make a payment, or pick up forms, you can use the new drive thru. For questions call Housing at 541-553-3250; drive up to the window, or stop by the office.

The new Housing office area includes the drive-thru for easy drop-off and pick-up. Pictured above by the new drive-up window are Housing's Edna Campuzano, Alfred Estimo, Cecelia Bourgeau, Margaret Sittinghorse-Kirk (back row from left); and Jolene Greene and Krysta Rhoan. And below, Carina Miller was happy to be the first Housing customer to use the new drive-up window.
