

## Community notes slight increase in covid cases

As of the most recent Covid-19 report on April 14, there were seven people with active covid in the tribal community. This represents a slight increase, matching a

similar occurrence that happened in February of this year (see graph below). Precaution is advised, and covid testing is encouraged for people who are experiencing symptoms.

Covid-19 incidence in the tribal community over the past 12 months.

## Scholarship announcement as graduation is in June

The Jefferson County School District 509-J Board of Directors will award a scholarship, or a variety of scholarships, up to the total of \$3,000 for graduates of the class of 2023. Graduation this year will be on Saturday, June 10.

Two board members are serving on the Promise Scholarship

Committee. They will review applications, select the top candidates and award the finalists on behalf of the collective the board.

Applications are open to district students graduating with the Class of 2023. The deadline to apply is May 12. The awards will be announced in June at the high school

scholarship ceremony, or an independent award ceremony depending on the students selected. The scholarships are paid directly to the institution of higher learning at the beginning of the second semester, once the official transcripts of the first semester are submitted to the board secretary.

## Museum receives \$10,000 award for short-term operations support

The Museum at Warm Springs received a \$10,000 short-term grant as the museum, like others, continues to recover from the pandemic.

The recent grant is through the Association of Tribal Archives, Libraries and Museums American Rescue Plan—Humanities Grants for Native Institutions.

The grant opportunity is intended to help Native cultural institutions recover from the pandemic and provide humanities programming to their com-

munities.

Funds were provided by the National Endowment for the Humanities, as part of the American Rescue Plan Act of 2021.

The museum, also like others across the U.S. and the world, suffered a loss of operating revenue during the pandemic.

The Museum at Warm Springs was selected by an independent review panel, and is one out of 34 awardees to receive funding.

## Position at W.S. Fish Hatchery

The Bureau of Indian Affairs is hiring an intern for its Water Resources Program at the Warm Springs National Fish Hatchery. The 26-week program includes a \$600 a week living allowance.
