

Youth Job Fair with 20-plus companies

The Warm Springs Community Action Team this spring will host a Youth Job Fair with more than 20 companies on hand who are hiring young people for summer jobs.

This will be a great chance for tribal youth to find summer employment or an internship, adding opportunities to the summer youth jobs on the reservation, which at times are limited.

The Community Action Team Youth Job Fair will be at the gymnasium of the former elementary school on Friday, April 12, a non-school day.

The goal is to host it this day to offer the youth a chance to come in and apply for their summer job early, said Sara Dowty, WSCAT Technology Workforce Analyst.

The job fair will offer summer employment to the youth ages 14-24 years. An adult job fair will follow, date pending, perhaps in May.

If you would like more information on how to participate in the Youth Job Fair, contact Sara at: sara@wscat.org

The phone number is 541-553-3148. In other news from WSCAT:

AT&T sign-ups

The Community Action Team is hosting a number of cellular network sign-up events, offering a variety of options for tribal residents.

AT&T will be in Warm Springs at the Community Action Team office this Friday, February 23 from 10 a.m. to 5 p.m. for sign-ups to an AT&T plan.

AT&T also offers a bring-your-

own device with SIM card option and cheaper plans.

The company offers a variety of discounts for teachers and first responders; plus military and veterans discounts, student discounts, and medical provider discounts. AT&T offers an event \$35 activation fee waiver for this sign-up event.

They will bring a limited supply of free phones for sign-up giveaways. AT&T has 5G service in Warm Springs, and a variety of affordable plans.

WSCAT has been hosting cell phone companies to help with employment, and offer connectivity plans to the Warm Springs community. The companies also help with bill support, questions and answers, and phone support.

Fire and Safety

(from page 1)

Fire and Safety serves to fire incidents on the reservation, and also provides the emergency medical services, EMS and ambulance service. About 80 percent of calls and responses are to ambulance

situations, Chief Spaulding said. The stations at Warm Springs and Simnasho are manned 24-hours a day with both fire and paramedic personnel on duty.

The community outreach projects are also a priority, from

the smoke detector program to their work with the school. "We try to reach out and let people know if they have any issue going on, always give us a call and let us know," Chief Spaulding says.

The team may not be able to fix a specific issue, such as an electrical wiring problem, but will help out any way they can.
