Fire and Safety seeks unused vehicles

Warm Springs Fire and Safety is looking for old cars that are no longer running. The vehicles will be used for training by the Fire and Safety personnel.

Fire and Safety can pick up the vehicle, if it is appropriate for training exercises; and will safely get rid of the vehicle when they are finished. The vehicle does not need a title, requiring only a signed release to Fire and Safety.

Fire and Safety will use the vehicles for training in the use of the Jaws of Life and other extrication tools.

They will announce the date and time when the training will occur, and will take precaution to allow residents who may be affected by the sight of the vehicle extrication exercise, to avoid the location at that time.

If you have a vehicle you would like Fire and Safety to take for the training, then please call 541-553-1634.

The Warm Springs Community Action Team AARP Tax Aide Site is now taking appointments. Call to set up an appointment 541-553-3148. Tax preparation slots in Warm Springs are available on Tuesdays and Thursdays.
