

Point in Time Count in Jan.

The Confederated Tribes' Health and Human Services branch is gearing up for the annual Point in Time Count. This year's count will take place on Tuesday, January 28.

The Point in Time is an assessment of the tribal homeless situation, and will be held from 9 a.m. to 4 p.m. at the old Warm Springs elementary school gym.

Starting at 9 a.m., participants can register for the event with staff. Please bear in mind that this event is for the homeless population. Screening questions will be asked at registration.

The Point-in-Time counts unsheltered community members who are living in tents, camps, vehicles, RVs with no electrical or water hookups; as well as sheltered members who are in the shelter/transitional homes.

Residents residing in the new Permanent Supportive houses are not considered homeless, as they are now permanently housed.

Breakfast will be served at 9 a.m and is sponsored by Health and Human Services.

Lunch will begin at 11 a.m. and is sponsored by Indian Head Casino.

The Homeless Shelter will not serve breakfast and lunch on this day. All homeless community members are welcome to share these meals with us throughout the day.

Similar to the Pi-Ume-Sha Health Fair, participants will be asked to complete a 'passport' by visiting the resource booths that will be on site.

Booths this year include Warm Springs Fire and Safety, Dental and the Pharmacy, Prevention, the Jefferson County Health Department, NeighborImpact, Indian Health Services contact representatives, Nursing, Thrive of Central Oregon, and the Oregon Department of Human Services.

Limited medical exams will also be available in the Mobile Medical Unit.

Resources provided will be Narcan education and distribution, blood pressure and sugar checks, flu shots and covid boosters, Oregon Health Plan assistance, plus additional information.

The Commodities program will also provide non-perishable foods for participants to choose from.

The survey for the Point-in-Time will be conducted by the Health and Human Services

staff.

Incentives will be given to participants who complete their passport and the survey.

Thank you to all of our sponsors: Indian Head Casino for providing the meal and serving, as well as donating incentives; Thrive of Central Oregon for their donations and time. All Indian Health Service programs that attend the event and provide services and information. The Prevention staff for Narcan distribution and education; NeighborImpact for resource information and assistance; Fire and Safety for providing blood pressure checks and incentives. The Jefferson County Health Department for providing STD screenings; and the Oregon Department of Human Services for SNAP assistance. This is a drug and alcohol-free event.
