## Weapons, drug charges after high-speed chase

A Warm Springs man has been charged with possessing multiple firearms as a felon, and eluding police officers after a high-speed chase. Edward Francis Jones, 32, has been charged by criminal complaint with felon in possession of a firearm and fleeing or attempting to elude a police officer. According to court documents:

On November 6 of last year, Warm Springs Police officers were patrolling on the Warm Springs Reservation when they observed a Hyundai sedan that matched the description of a stolen car.

As the officer checked the license plate, the driver placed the car into drive and drove at

a high speed into a field.

As the officer activated his overhead lights and sirens, the car came to a sudden stop after hitting something. A male, identified as Jones, exited the car and began running. Officers attempted to chase Jones but lost sight of him.

Inside the stolen car, officers found a loaded 9mm handgun with an obliterated serial number sitting on the driver's seat. Officers also found alcohol, fireworks, a backpack containing a bag believed to contain methamphetamine, a baggie of marijuana, drug paraphernalia, and approximately 94 rounds of ammunition. A second backpack was found inside the vehicle with mail belonging to Jones.

On January 7 of this year,

Jefferson County Sheriff's Office deputies observed a female known to be affiliated with Jones in a Chrysler 300. Officers initiated a traffic stop for an expired registration.

The vehicle did not stop and continued traveling through Madras, Oregon, at extremely high speeds, passing vehicles and driving into oncoming traffic. The car ultimately lost control and crashed.

A male exited the driver's seat and fled on foot. Drone operators from the Prineville Police Department located the fleeing suspect approximately 100 yards east. Officers contacted the suspect, identified as Jones, and took him into custody.
