### CHEMAWA REUNION SET

Are you a member of the Chemawa Alumni? If so, plan to attend the next reunion June 15, and 16, on campus at Chemawa, Oregon. It's always alot of fun and really great to see former classmates and staff of the old school. There's a banquet and dance on the last evening, but other activities includes Bingo and viewing of old pictures and annuals of the past.

The Picture Historian, Kathryn Harrison, is asking all interested alumni to send or bring their old photographs of classmates, buildings or "your old shoe", to be used in the display at the reunion. Please identify each picture including the year if possible, along with your name and address on the back of each picture to insure recognition by each sender and also to insure return of pictures.

C'ome on you alumni and join in celebrating the 99th Birthday of dear old C.I.S. on June 15 and 16.
