MEETING NOTICE

TO: All Parents of Indian Students

There will be a public Title IV-A, School District 30J, Parent Committee Meeting for parents of Indian students, District personell, Parent Committee members and the general public on September 21, 1979. The meeting will be held at 7:00 p.m. in the Conference room at the Grand Ronde Elementary School.

All parents are urged to attend this meeting. The purpose of this meeting is to elect officers and Parent Committee members for the school year.

The federal allocation for Willamina School District 30J is in the amount of \$16,157.00.

Let's all attend this meeting and get our Title IV program off to a good start early in the year.

The lack of parent participation has hindered the program in the past and may very well cause its' termination. If we don't have any parent involvement at this meeting, the program's continuance will be in question. This program is, and can become, more important to our kids, but it can only be as good as you, the parent, make it. Your absence at this meeting will indicate that you are not interested.

Again, I urge you to attend, participate and take an active interest in the educational needs of your children, both academic and cultural.

Sincerely,

Marv Kimsey  
Co-Chairman
