

ADDRESSES NEEDED

Enrollment with the Confederated Tribes of Grand Ronde is continuing. Many addresses are still needed. When requesting enrollment applications, please include the names for whom applications are requested. If you have any questions about the enrollment call the Tribal office at 879-5253.

TRANSPORTATION

Our full-time driver, Candy Robertson, is back from her hunting trip and ready for all riders! Hazel Dickson did all the driving while Candy was gone. Hazel will still be driving for part of each week.

NOTE: A new procedure for scheduling all rides where mileage is paid through county transportation funds will be implemented on October 15th. As of that date all rides, no matter WHO will be doing the driving, are to be scheduled thru the Tribal office, 879-5253. The reason, per the Transportation Manager for Polk County, is to avoid duplicated miles which has occurred by two cars going at the same time to the same destinations. Besides our Tribal Elderly Transportation Program there are local volunteers who perform transport services and are reimbursed with County funds. For future planning of transportation needs for the entire Grand Ronde area, each funding source must have statistical information showing the needs for transportation in this area. The only way both can be attained is through the cooperation of everyone.

There will be more information available as the plan is implemented.

OUTREACH

Are there any members over age 60 who would be interested in part-time work? If you live in the Marion-Polk-Yamhill Tri-County area the interview team from the Council on Aging (COA) would be interested in talking with you. The interviewing process is the first step toward implementing a "Job Bank" for persons over 60. Maybe you only want a part-time job -- according to COA this projected "Job Bank" will help you.

NOTE: Keep watch of the paper for new

NOTE: Keep watch of the paper for new regulations coming from the Dept. of Agriculture that will (they hope) assist more senior citizens in being eligible for more food stamps. These new rules are due to go into effect the first of November 1979.

"YEAR OF THE CHILD"

A workshop commemorating "The Year of the Child" was held at Kah-nee-ta Lodge September 19, 20, and 21st. Topics were covered on child abuse, battered women, Tribal management, the treatment for adolescents in trouble. Jackie Colton and Michaelle Lambert attended, representing the Confederated Tribes of Grand Ronde. A presentation will be given at the monthly Tribal meeting by Jackie and Michaelle on the areas covered effecting the Confederated Tribes of Grand Ronde.
