of the Warm Springs Tribe. Also included two Howard Rainer workshops on self image that were very informative. We attended the Miss Northwest Indian Youth Pageant at the Madras High School, a banquet and Pow Wow at the Agency Longhouse. There was a bar-b-que held at the village and a Disco dance at the Lodge. A good time was enjoyed by all.

THE CONFEDERATED TRIBES OF GRAND RONDE BASEBALL FIELD

Thanks to many hours of hard work by a handful of individuals, the tribe now has it's own baseball field. Doug Colton, Merle Leno, Pat Henry, Jess Robertson, Dean Mercier and "Pee Wee" Robertson have worked many days getting the field in shape. The field is on a portion of the land recently purchased by the tribe. For the past 2 years the tribe has had a little league team (that has taken first place both years), that until now has had to use the field at the Grand Ronde Grade School. Besides the little league, the big (old) guys have begun putting a softball team together and will also be using the field.

We would like to take this opportunity to thank businesses and individuals who have donated items and/or services toward construction and maintenance of our field.

- Furrows Building Supply - 2 rolls of wire fencing
- Fort Hill Lumber - Posts for the backstop
- Oceanlake Sand & Gravel - Sand for the field
- Richard Thomas - Tractor and services for dragging and leveling the field
- Jack Robertson - Tractor and services for preparing the ball diamond

THANK YOU ALL VERY MUCH FOR YOUR SUPPORT!!!!
