Dear Editor:

After having just read your newsletter in December, I thought you should know it was the most interesting one I have read, and would like to know how to get more information regarding the history of the Tribe, and also if there is any information regarding my family tree.

My grandfather was John Sulkey, my Mother was Cleo I. Sulkey, somewhere I know I was related to Yamhill Pete, Solomon Riggs, and probably many more, but I don't know where to go to get any information. If you could help me with a family history and all other material on the history of the Tribe, I would really appreciate it.

Soon I hope we will be restored and recognized as a Tribe and it's nice to read about everything that's going on where my ancestors grew up.

Keep up the good work....I really like your history segment a lot...

Sincerely,  
*Arlene Gleason Kautz*
