

Fund raising project CCA (Community Club Awards)

Kathryn Harrison and Cheryl Carl are in the process of coordinating and organizing a fund raising project to try to generate some money for our Tribal Organization. This is sponsored by many of the McMinnville area merchants. On certain days at designated stores bonus points are given for each dollar spent, as well as many other opportunities to gain points such as going into a sponsor's store and signing the register they have on hand. We have a number of booklets to distribute among our members and friends that would like to help us out during each campaign. In these books it will tell the days and sponsors, and tell you the amount of points you can gain for your organization. There are many other non-profit organizations that the tribe will be competing against for each weekly cash awards. At the end of final campaign drive if the organization did not receive any weekly cash awards, then KCYX 1260 will buy any proof of purchases back at the rate of \$1.00 per thousand. We would certainly appreciate any help any person in our area that shops in the McMinnville area could give us. Please contact the Tribal office to pick-up your campaign books. There are many different ways people can help that do not shop in the Mac area such as saving certain pop bottle caps and beer cartons and caps etc. We need all the help we can get to make this project a success.

NEW ENROLLMENT COMMITTEE SELECTED

A new enrollment committee has been selected by the enrollment clerk and the first meeting was held Wednesday December 8, 1982 at the Tribal Office at 1:00 p.m.. At this meeting the new members placed Merle Leno as chairman, Russ Leno as co-chairman and Marion Henry as Secretary. A brief introduction to the responsibilities of the committee members, along with a packet containing the enrollment procedures for future study. The next meeting was scheduled for Dec. 15, 1982 but had to be canceled. We will meet on Wednesday Dec. 29, 1982 at 2:00 P.M... The following persons are the new members: Merle Leno, Russ Leno, John Mercier, Margo George, Marv Kimsey, Nora Kimsey, Jackie Colton, Velma Mercier, Candy Robertson. It was suggested that we have an advisory board in conjunction to the enrollment committee members. It would consist of a number of our elders that would help us with the family trees and documentation of ancestry. We are still in the process of recruiting more tribal elders to participate in this board. They would not have to meet as often as the enrollment committee members would.

I would like to thank all of our tribal members for all the help and cooperation they have given me in returning all the required data and information I needed in order to complete the statistics for the new Tribal Profile that is now completed with the help of Northwest Consultants and Bruce Peet. Again, thank you all so much and Happy Hoildays to you all!
