During the month of February, the slide presentation was presented to two (2) groups: the Warm Springs Tribal Council @ Warm Springs, Oregon on February 3, 1983; and, to the Women's group of the Lutheran Church @ Lebanon, Oregon; both presentations were well-received, I might add. Fourteen meetings were attended throughout the month with the majority of them concerning our Restoration while the others included Tribal research, local education on Tribal history, and Tribal representative, to name a few.
