ANNUAL TITLE IV CULTURAL ACTIVITY
(POW WOW)

The Third Annual Title IV Cultural Activity was held April 14 at the Grand Ronde Grade School. The activity, more commonly called Pow Wow was a real success this year.

The Pow Wow sponsored by Title IV District 30J in conjunction with Lebanon's Title IV and The Confederated Tribes of Grand Ronde, welcomed five drums: Sweet House Lodge, Warm Springs Reservation, Hollow Horn Bear Singers, and One Runner Drum.

Dr. Tom Murphy of Oregon State University, displayed his and his son's expertise at various dances including the hoop dance, in his 45 minute exhibition.

Highlighting the Pow Wow was Clara Riggs. Clara participated in a skit along with Danny Provost and Margo George.

Various Door prizes were given away through drawings, and a Pendleton blanket was raffled off.

Many people worked very hard to make the Pow Wow a success. Lets hope next year's will be even bigger and better!
