

SENIOR OUTREACH

Did everyone apply for their Homeowners, Mobile Home Owners, or Rental Property returns? If not, contact our office, 879-5253, and a late report for this can be filed. Also if this was your filing for this refund you can file for the previous three years on a special form. Again, we can help you with this filing.

Does everyone's household have a Vial of Life filled out and placed in the proper place? We have them at the tribal office and will be glad to help you in filling them out and placing them where they can be found.

TRANSPORTATION FOR SENIOR CITIZENS

During January, February, and March our Tribal car traveled 7,530 miles and made 456 trips. Because of the dramatic increase in the price of gasoline we are trying to combine as many trips as possible. So, please call the office as soon as you know your doctors', dentist, or eye doctor appointment. Then we can schedule shopping trips and other trips along with the doctor appointments. However the main objective is to get everyone to their medical appointments, so call and schedule your ride and be ready to visit with friends on the way.

A new fiscal year is coming and we are seeking funds to continue this Elderly Transportation Program. We need your help so that we have documented proof that this Program is needed, used and appreciated. The best way all of you can help would be to write a letter telling how this Elderly Transportation has helped you or a member of your family. Every funding source we have contacted has ask what support we can show for our program. Letters of support are what they want. So, lets give it to them, we need to hear from you. Either mail your letter to P.O. Box 94, Grand Ronde, Oregon 97347, or hand it to the driver when you next ride to town in the Transportation car. Transportation donations were \$30 which was appreciated very much, thank you.
