

TRIBAL COUNCIL BUSINESS

S.B.311, 2415 Statute of Limitations Project and Tribal Programs Reports have been some of the agenda items as recent Tribal Council meetings held at the Tribal Office during May and June.

CeCe Whitewolf, Law Clerk of Native American Program/Oregon Legal Services has been assigned to work with the Grand Ronde People to assist and do research on 2415 Statute of Limitations Project for the summer. CeCe will be available at the Tribal Office beginning June 21, 1983 and every Tuesday thereafter, to assist any Tribal Member who believes they have a 2415 Grand Rond Claim.

A S.B. 311 Hearing will be attended by Council members and staff on Thursday, June 23, 1983 at the State Capitol in Salem, Oregon. This Bill will create a seat for a representative of the Grand Rondes to the Commission on Indian Services beginning next year, January 1, 1983. Rep. Paul Hanneman and Sen. Dell Isham of this District are supporting us 100% in this endeavor.
