

## ENROLLMENT:

During the Past two months the Enrollment Clerk has been gathering materials and statistical data to assist in Preparation of Testimony in support of our Restoration Bill. Areas include our Health needs Planning, updated material for the Tribal Profile, and service area Population.

Enrollment form Processing has been temporarily Placed on hold since the last enrollment deadline of March 31. New applications will be acted upon within the next six months. The Enrollment Clerk has been sending requested applications for enrollment as she had time. It is requested that you be Patient as the Clerk is overwhelmed with work activities. She will answer all requests as time Permits.

A reminder to all of our Tribal Members, once again, even if you are listed on the Tribal Roll of 1954, and/or you had filed enrollment forms in 1979-1980, YOU MUST RE-ENROLL AGAIN if you have not done so. This is due to the recent updating of the Tribal Enrollment Procedures. Those applicants currently on file will be the only ones listed on the NEW updated membership roll for the

Confederated Tribes of Grand Ronde. All Tribal members names currently enrolled will be submitted to the Bureau of Indian Affairs at such time as required to close the rolls. Once the Rolls are closed the members accepted for enrollment will be Placed on the new membership roll AFTER Restoration occurs.

Each application will be Processed in the order received. If you are having Problems with gaining Birth Certificate copies, send in the enrollment forms now and forward the Birth Certificate as you receive it. IT IS VERY IMPORTANT THAT ENROLLMENT APPLICATIONS BE RETURNED AS SOON AS POSSIBLE
