A special Thank-you to Allan "Biff" and Louise Langley for opening their home to the Council members who attended a timber management workshop at Warm Springs. We enjoyed a barbecue and generous hospitality. Thanks again!! Mark & Sally Mercier, Merle & Claudia Leno, Russ Leno, Dean Mercier, and Pat Gray.

Thanks also, to Tommy and Lori Fuentes from Warm Springs who brought Salmon and Eels to help celebrate the Mercier Family and Friends reunion. The reunion was well attended with around 150 family and friends. A good time was had by all, with swimming, horseshoes, volley ball, and cards. The weather was nice except for a Sunday a.m. rain, which didn't put a damper on the fun. Looking forward to see you all next year!!! The Mercier Family
