Enrollment

Dear Fellow Tribal Members and Friends:

The membership of the Confederated Tribes of the Grand Ronde Community of Oregon now totals 1835. Without the hard work that the past and present Tribal Council members have done, we would not be a Tribe at all. I know that it is hard for the Council to give up their time to travel to all the necessary meetings for our Reservation Plan. I would like each enrolled member to think of what the Tribal Council does for us, and to show them your support. They need a pat on the back just like the rest of us.

I have been updating the membership rolls. Many members have been contacting me to verify their enrollment status, and I appreciate it very
