IS YOUR FAF COMPLETED?

Students wishing to enter school (community colleges, colleges and universities) in the Fall of 1987, you will need to file your Financial Aid Form for 1987-88. You can file your application on or after January 1, 1987. You should contact the financial aid offices by mid-December at the college or school you are interested in attending. Tribal assistance is based on the FAF and it is best to file your application early.

TRIBAL MEMBER VISITS AUSTRALIA

On Christmas day, Tribal member Doug Colton left for Australia along with 15 other college and high school students, as well as assistant coaches and trainers. They represented the United States (Oregon) in a U.S.A./Australia baseball tournament. The guys spent a week and half touring Australia, playing baseball and enjoying the many sights and activities the "down-under" has to offer. The team made history as being the only U.S. team ever to come home with a 9-0-1 record.

I'd like to take this opportunity to thank all those who helped to make the trip possible for Doug, either by direct contribution or purchasing raffle tickets in support of fund raising efforts for this trip.

Special thanks to Roy Zimbrick for donating the rifle and scope given away at the raffle drawing (won by Joyce and Cliff Logan of Salem). Your generosity is greatly appreciated. Roy - THANKS AGAIN

Jackie Colton
