

ENROLLMENT

Dear Fellow Tribal Members and Friends.

The Enrollment office will begin to issue tribal I.D. cards this month. The cards are photo I.D., so tribal members must be present to receive one. At this time, there are no plans to issue cards to out of state members, unless they are visiting the area. If you live out of state, I will issue a certificate of Indian blood request.

The I.D. Cards will not be issued to any member without an enrollment number. If you or a relative have not received a roll number, please contact me. An applicants file must be reviewed by the Enrollment Committee, and then approved by the Tribal Council. The numbers are not issued at the time an application is completed. The enrollment procedure takes approximately three weeks to complete.

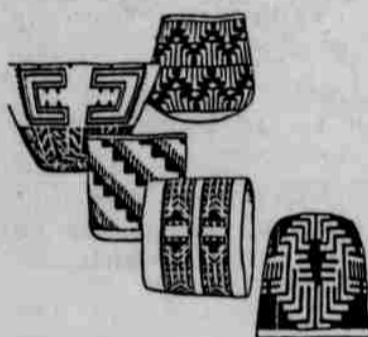

It is impossible to operate the I.D. camera in the enrollment office because of limited space. Since I must set the camera up elsewhere, I am designating Thursdays and Fridays to issue I.D. cards at the depot office. The hours will be from 9 a.m. to 4 p.m. (Don't forget that the office is closed for lunch from 12 noon to 1 p.m.) Exceptions could be made for visiting out-of-state members.

I have scheduled visits to cities in the six county area to issue I.D. cards. The month of April is listed on the community calendar. I would welcome any suggestions for facilities to issue the I.D. cards in Washington, Yamhill and Polk counties in the month of May. Because of limited funds, I am trying to schedule space with little or no rental fee. If you know of a Community location, please contact me.

My thanks to all of the people who are involved in assisting with the I.D. card outreach. Your help is greatly appreciated! I am planning to be available at our tribe's annual Memorial Day gathering to issue cards for visiting members. I also hope to be able to issue cards during the annual Pow-wow. Please watch the newsletter for dates and times.

I have been working on collecting information for a tribal data base. A computer program will be used to store the information. I am currently being trained in computer use, so I may be out of the office on certain days. Because the schedule varies, it is impossible to post these training dates. If you are from out of town, please call ahead to make sure that I am in. If I am out, the secretary will inform you of my return. I will gladly return your message, and make an appointment with you. If you have any questions on the enrollment procedure, please contact me at the tribal office.

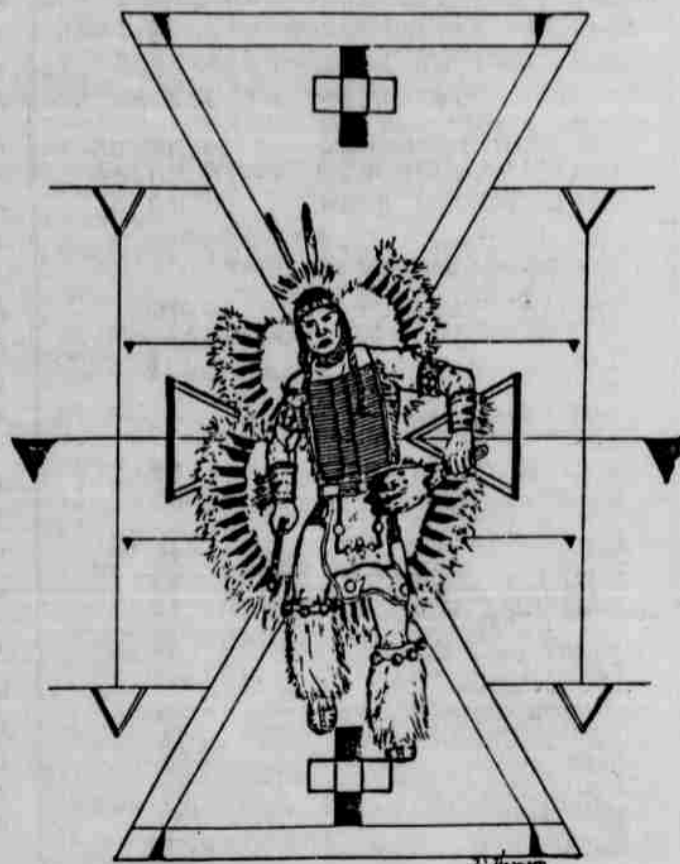

Sincerely, Margo George
