

JOB TRAINING PROVIDED BY JTPA PROGRAMS

The Job Training Partnership Act (JTPA) Program has a Title IV. Employment Program which serves only Native American Indians, Native Hawaiians and Alaskan Natives. If you are looking for work, need GED, job counseling, vocational training, assistance with resumes, etc., contact the Indian JTPA Service provider listed below for your county of residence for information or an appointment.

JTPA must document your eligibility for Title 401 services. Please bring the following information with you to your appointment: proof of American Indian or Alaskan Native enrollment or decendency, date of birth, citizen or alien status, proof of residence, number in household and household income. Because you are not eligible for food stamps or food commodities does not necessarily mean you are ineligible for our program. We are allowed to exclude certain types of income. Certain applicants will need to provide other documentation.

It is to your advantage to phone ahead for program information and/or an appointment.

If you live in:

Marion, Polk or Yamhill Counties: Phone The Confederated Tribes of Siletz--Salem Area Office at 585-4428 and ask for Luella J. Azule.

3. Copy of your heating bill.

TRIBE THANKS HATFIELD FOR HELP WITH RESERVATION BILL

Members of the Grand Ronde Tribal Council met with Oregon Senator Mark O. Hatfield to thank him for his help with establishing the 9,811 acre reservation. The Council presented Hatfield with a plaque engraved with a map of Oregon and the reservation. Above: Senator Hatfield, Susan Long (a member of Hatfield's staff) Mark Mercier, and in front row, Council member Val Grout, Council Secretary Kathryn Harrison and tribal member Diana Stogsdill.

FISH AND WILDLIFE REPORT

The 1989 hunting and fishing stickers are available and can be picked up at any time.

The Tribal Subsistence Program and the Fish and Wildlife Committee would like to thank tribal members for the excellent return and report rate on hunting tags. This will result in fewer members losing hunting and/or fishing privileges for the next year.

Below are the procedures followed for those who did not return their tags, report a kill or lost tag:

The Committee shall notify the tribal member of any reported violation alleged to have been committed by him or her. The notice shall be in writing and shall include the following:

- A) A statement of the facts constituting the alleged violation;
- B) The date, time and place of the Committee's next meeting;
- C) That the tribal member may present any evidence relevant to the alleged violations to the Committee at its next meeting.

The notice shall be sent by certified mail to the member's last known address. If the notice is not accepted within five working days, the Committee shall send a second notice by certified mail. The second notice shall state, in addition to the information in the first notice, that it is the final notice and that the Committee shall proceed with action on the alleged violations.

Consideration By Committee:

The Committee shall consider the facts and nature of the alleged violation and all reliable evidence regarding it. The Committee shall make its findings regarding the alleged violation in writing with supporting reasons.

Suspension Or Revocation of Privileges:

If the Committee finds that the tribal member has committed a violation, it shall suspend or permanently revoke the member's hunting, fishing, and/or gathering privileges. The Committee shall consider whether the violation is the member's first in deciding the length of the suspension and whether to revoke privileges.

Reconsideration:

In its discretion, the Committee may reconsider its findings at the request of the member. The member must make such a request in writing with supporting reasons within 30 days of notice of his or her suspension or revocation of privileges.

The member may appeal the Committee's decision to the Tribal Council based on the record of the Committee's meeting at which the violation was considered, provided, however, that the Tribal Council shall handle such appeals once the Tribal Council empowers it to do so. The appeal must be in writing with supporting reasons and made within 14 days of the Committee's action. The Tribal Council may pardon the member, reverse the Committee's decision, or decrease the extent of the suspension or revocation as justice requires. The decision of the Tribal Council shall be final.

Pardon:

Any member whose privileges are permanently revoked may request that the Tribal Council pardon him or her after three (3) years from the date of revocation.
