

DECEASED MEMBERS TO BE REMOVED FROM TRIBAL ROLL

Dear Fellow Tribal Members and Friends;

As our tribal membership totals 2404, it is a continuous job to keep our roll updated. The 1954 termination roll was designated as our tribe's "base" roll at the time of restoration. This roll is used to prove that an applicant is a descendant of a Grand Ronde member and their possession of Indian blood.

Many members listed on the base roll are believed deceased. As tribal records had not been maintained from 1954 through 1983, some of the deceased have not been documented. It is required to document any change on our membership roll. Proof must be submitted to change a name, blood quantum or to report a death.

Acceptable documentation to prove that a member is deceased includes:

1. Death Certificate;
2. Mortuary records;
3. Hospital records;
4. Obituary notice from newspaper;
5. B.I.A. records;
6. Written, signed statement from a relative, giving date of death;
7. Written, signed statement from someone who attended the funeral or saw the grave marker and can provide the date of death.

If documentation is not available the C.T.G.R. Enrollment Ordinance provides a publishing/challenging procedure. The names of members believed deceased are published in the tribal newsletter. Anyone protesting the removal of a members name should contact the enrollment staff within 30 days. If no protest is filed, the name shall be removed from the roll.

The names published this month were designated as believed deceased by the Enrollment Committee. Anyone who can provide a date of death or documentation is encouraged to notify the enrollment office. The names shall be published again next month and if

unchallenged, removed from the roll in May. Please review this list and assist us if you can. Your help is greatly appreciated.

Don't forget that Michael Childers is assisting me in the enrollment office. If I am unavailable, she will take your message. We are still issuing photo tribal I.D. cards to members 11 years and older, Monday through Friday. Please contact me if you wish information on your enrollment status, or to request enrollment applications.
