Let's all offer our congratulations to these students for their hard work!

COLLEGE VISITATIONS

It is important to visit a college campus before committing yourself to going there. Many factors in deciding your choice include the size of the campus, the programs the College offers and housing arrangements. If you are in High School and thinking of attending College next year but aren't quite sure of which to choose, call Camille Van Vleet at 879-5211 to inquire about visiting in-State Colleges.

NO SUMMER TERM FUNDS AVAILABLE

There has been a number of Higher Education students who have inquired about the possibility of attending school during Summer Term 1989. Unfortunately, because of the increase in current enrollment and pending applications for Fall Term '89, we will not be able to provide funds for Summer Term Educational costs.

If you are still wishing to attend Summer Term, you should contact the Financial Aid Office and apply for Campus Based Aid. Many of the Colleges can offer a guaranteed Student Loan to cover term tuition and fees.

If you haven't made up your mind about school or are considering on waiting until July or August you may be too late. The Tribal Education Program is realizing an increase in enrollment. Applicants who submit there completed applications early, prior to July 31, 1989, will receive first consideration for assistance.

File your F.A.F. today, you can obtain the F.A.F. form for 1989-90, from your local high school or Community College or University. Contact the College or University's Financial Aid Office for this form.

If you are needing a Tribal Education application packet, call at 879-5211. Be specific, identify the type of schooling you are seeking (2 year, 4 year Program); Vocational Training or Higher Education. Have a school or schools identified that you are interested in attending.

Remember: July 31, 1989, deadline.
