APPLICATION CUT OFF BEING CONSIDERED

Due to skyrocketing growth in enrollment rates at Western, officials are encouraging students to reserve their space for fall term 89 by submitting their applications for admission and campus housing as early as possible. Based on current rates of receiving applications for fall term, Western will surpass the enrollment ceiling set by the State Board of Higher Education. And because Western has not been authorized to surpass this ceiling, a cut off in applications for fall term 89 may be a reality

Students will be required to pre-register for summer term as well. New student pre-registration will be held on July 14, 15, 21, and 22. Only fully admitted students will be invited to participate in one of the four days. Students who do not pre-register will be put on a waiting list and will be allowed to register only as space allows. The Admissions Office is available to answer any questions or concerns you may have. Call 1-800-BE-A-WOLF, ext. 211.

GRAND NATIONAL DANCE FINALS IN SEPTEMBER

The stage is set for one of the most historic events in recent Pow-Wow history: The Grand National Dance Finals, a winner-take-all competition featuring the best dancers from all over North America. This dazzling show-down contest is an honored part of the Pow-Wow in the 8th Annual Gateway To Indian America Trade Fair and Exposition to be held at Fort Mason Center in San Francisco, September 27 - October 1, 1989.

Departing from the typical dance-contest program, the Grand National Dance Finals will stage only four categories: Men's Old Style, Women's Old Style, Men's Fancy, and Women's Fancy, one winner in each category, with a cash prize of $7000 to each winner. Scheduled toward the end of the Pow-Wow season, the Finals are designed to offer what amounts to a series of "national championships." Even with early publicity, the Finals have already generated tremendous excitement throughout Indian Country. Planning calls for a special awards ceremony at the close of the Trade Fair, and the strong possibility of appearances by the winners on network television during the following week. The Pow-Wow and Finals will take place on the most beautiful outdoor sites in the country: the Great Meadow at Fort Mason, overlooking the world-famous Golden Gate.
