

YAMHILL COUNTY HEAD START PROGRAM

Yamhill County Head Start is a federally funded pre-school program for children and their families.

To be eligible for Head Start, families must meet federal income guidelines. These guidelines are based on the family's gross income (total income before taxes are taken out).

*Children are eligible from age 4 up to the time they enter the school system.

*10% of Head Start enrollment must be handicapped children (physical, hearing, vision, emotional developmental delays).

*10% of the enrollment may have income in excess of the specified guideline.

HEAD START ISN'T JUST FOR CHILDREN, IT INCLUDES PARENTS TOO!

Parents volunteer in the classroom, participate in once-a-month parent meetings and take advantage of many speakers, groups and workshops, organized especially for them. It requires a little of your time, but the rewards are worthwhile.

Keep in mind that Oregon State Law provides that any child entering a certified day care facility, pre-school, Kindergarten, or first grade or any time thereafter, and children transferring to an Oregon school from out of the state (pre-school through 12th grade) may face expulsion from school if they are not current and/or up to date with their immunizations.

Immunizations are available by appointment, Monday through Friday, at the Grand Ronde Tribal Health Office.

School physicals can be scheduled during the regular Wednesday clinic hours 9:00 a.m. to 4:00 p.m. Be sure to call 879-5211 or 1-800-422-0232 for an appointment.
