

Council members Wilma Butler and Kathryn Harrison witness Chairman Mark Mercier as he prepares to sign the Tribes' historic non-smoking resolution. The Tribe participated in the Great American Smokeout by banning the use of tobacco in all Tribal facilities. The Tribe is committed to providing workers with a healthy workplace.

CHAIRMAN SIGNS NEW ANTI-SMOKING RESOLUTION!

On November 15th, 1989, the Tribal Council unanimously adopted a resolution declaring all Tribal Offices and facilities as NON SMOKING areas. The Council's message is clear. They are committed to maintaining healthy environments for both our Tribal employees and enrolled members, who utilize our health clinic, and any other facilities.

Definitely, the non smoking sentiment is gaining a lot of momentum throughout the American public. With so many Federal, State, and other public facilities declaring their offices as Non-Smoking, the Council felt it necessary to promote health in any way possible.

We realize this new policy may not be popular with people who smoke, but the motion to adopt this resolution was made by a smoker. With the major Airlines now restricting smoking on flights within the continental U.S., most restaurants declaring non smoking completely, we are entering into a new era.

Here is the resolution in its entirety.

WHEREAS, the Grand Ronde Tribal Council, pursuant to Article III, Section I of the Tribal Constitution approved November 30, 1984, by the Acting Deputy Assistant Secretary of Indian Affairs, is empowered to exercise all legislative and executive authority not specifically vested in the General Council of the Confederated Tribes of the Grand Ronde Community of Oregon; and,

WHEREAS, the Grand Ronde Tribal Council is committed to the healthy of Grand Ronde Tribal members; and,

WHEREAS, the Confederated Tribes of Grand Ronde has a comprehensive Health Program to provide health care to Tribal members; and,

WHEREAS, the United States Surgeon General has printed health hazards on cigarette packages; and,

WHEREAS, the Tribal Council acknowledges the dangers associated with the use of tobacco; and,

WHEREAS, the Tribal Council is sensitive to the health needs of all Tribal members utilizing the Tribal facilities; and,

WHEREAS, the Tribal Council wishes to demonstrate active leadership in addressing health hazards; and,

WHEREAS, the Grand Ronde Tribal Council advocates leading healthy lifestyles and encourages non use of tobacco.

THEREFORE BE IT RESOLVED, that the Grand Ronde Tribal Council hereby declares ALL Tribal facilities as SMOKE FREE working and meeting areas.

BE IT FURTHER RESOLVED, that the Grand Ronde Tribal Council is committed to assisting Council members, Tribal committee members, and Tribal staff in "Kicking the Habit!"
