

## Executive Director/ Native American Program Oregon Legal Services (NAPOLS)

Oregon Legal Services (OLS) is seeking an Executive Director/Administrator for the Native American Component of its program. OLS is a legal aid program with 11 offices throughout rural Oregon, a central support office in Portland, and statewide Native American and farmworker components.

The Native American Program (NAPOLS) is presently composed of the director, four attorneys and four support staff. One staff attorney position is vacant and will be announced after the new director/administrator is hired. The program has offices in Portland and Bend. The current director will become the director of litigation after a new executive director/administrator is hired.

NAPOLS is an impact oriented program that represents and works with tribal governments and individuals, and represents several tribes - The Confederated Tribes of the Grand Ronde Community of Oregon, the Klamath Indian Tribe and the Coquille Indian Tribe - under contract. LSC funding presently constitutes approximately one-half of the program budget. NAPOLS has been successful in assisting several Oregon Indian tribes in achieving restoration of federally recognized status as tribal governments, and is now assisting these tribes in setting up a governmental infrastructure. NAPOLS receives program policy guidance from an Advisory Board comprised of representatives of the various Indian communities in the state.

**Responsibilities:** Under the supervision of the executive director of OLS, the NAPOLS executive director/administrator manages and administers the Native American component of OLS including: Managing staff and supervising support personnel; administering tribal attorney contracts; setting program policy; promoting and maintaining a good working relationship with Oregon tribes, the Oregon Indian community, and the NAPOLS Advisory Board; maintaining a good working relationship with other Indian legal services programs and national Indian organizations; administering the program, including budgeting, personnel matters, and fundraising; obtaining tribal attorney contracts; and ensuring compliance with LSC regulations. The position requires extensive in-state travel.

**Qualifications:** Extensive administrative and management experience, including experience in personnel matters; commitment to legal services for Indian tribes and individuals; knowledge of Bureau of Indian Affairs and federal contracting; ability to work well and supervise in a team setting; and ability to communicate and work with people of diverse backgrounds. It is not a requirement of this position that the applicant be an attorney, although knowledge of and background in federal Indian law is helpful. Native Americans are particularly encouraged to apply.

**Salary/Benefits:** Salary is determined by statewide salary scale. Excellent health insurance and liberal vacation benefits.

**Deadline:** Position will remain open until filled. Resumes by April 13, 1990.

**Applications:** Please send letter of interest, resume and references to:

Sponsored By:  
NATIVE AMERICAN CULTURAL/  
EDUCATIONAL COMMITTEE  
*No drugs or alcohol permitted!!!*

The Parent Committee wishes to extend a special invitation to you, to attend our Annual Pow - Wow, which will be held April 28, this year.

Our Pow - Wow is small when compared to many. We like to think it is one of very few that are not commercialized. We offer many forms of welcome. We realize we have people who travel great distances to be with us, so we offer afternoon snacks, at no cost. This usually consists of sandwiches, coffee, punch and cake. Just a little something, until dinner.

We have craft tables available. We normally ask some small item to offer for our drawings.

We always have a BIG dinner, ham, turkey, salads, vegetables, breads, desserts, etc. This also is at no cost.

We do offer overnight accommodations. Basically, our Pow - Wow is held at our School Gym. The overnight accommodations consist of a sleeping bag affair, on tumbling mats. But, all who wish to join, are made welcome and are served breakfast the next morning.

If there is anything I have failed to mention, please direct any questions you may have to Mary Trevino. She has joined us in the past and can be of assistance in planning.

I, more than most look forward to a group joining us from Grand Ronde. Pow - Wow is a time of sharing, making new friends and simply being a part of all those who can gather in one place. Each Pow - Wow is a mixture of new and old and each is unique, the same and yet a little different at the same time. Please know you will be made welcome.

The following is additional information not covered in our flyers. We need to know as soon as possible how many to plan for our annual Pow - Wow on April 28, 1990, particularly in the food area. We intend to provide the main dish and other items as well. For those traveling who may wish to contribute, we thought dessert items would be easier to transport.

We also have overnight accommodations available and will provide breakfast. Again, we need to know how many to plan for.

Our Pow - Wow begins at 2:00 pm, dinner will be served at 4:30 pm, Grand Entry is planned at 6:00 pm and Pow - Wow will end at 10:00 pm.

We have tables available to display crafts, demonstrations and sales. Tables are \$3.00 for a single, \$5.00 for a double or and item for our drawing. The set-up crew will be at the school from 12:00 noon on. You may call 863-4942 to reserve your table (s) or take your chances on a first come, first serve basis.

Please respond to the following areas. You may write to the school at the above address or call 863-3272. Or

you may write to me, Mary Howren P.O. Box 276, Myrtle Creek, OR > 97457.

- \* Number attending dinner and Pow - Wow.
- \* Number of those in need of overnight accommodations and breakfast.
- \* Number of tables you wish to reserve.

**RSVP by April 14, 1990 PLEASE!**

## Grand Ronde Participates in Basketball Tournament

By Tom Jones

Grand Ronde all Indian basketball team participated in the Warm Spring 6 foot and under tournament during February.

Lenny Logan, Derek Olsen, Larry, LeLand and Kevin Hofenbredl, Greg Leno and the coach, Tom Jones gave opposing teams all they could handle. The games were nip and tuck going into the final period, but Grand Ronde didn't have the big finish - or the cheerleaders - to pull out the victory.

Grand Ronde played the Magpies and after a hard fought battle of the boards lost 64-58.

Lenny Logan scored 6 points, Larry Hofenbredl had 16 points and Leland Hofenbredl scored 6 points as well. Kevin Hofenbredl matched Larry's 16 with 16 of his own and Greg Leno added 14.

The second game was played in Madras, Grand Ronde poured it on. run and gun Grand Ronde led by as many as 24 points at one time in this game. The highlight of the game was a clutch 3 pointer by the player-coach, Tom Jones. Greg Leno led all players with 29 points. Lenny Logan had 6 and Derrick Olsen had 7. Larry Hofenbredl scored 3 points and LeLand Hofenbredl had 14. Kevin Hofenbredl added 15 points and the amazing Tom Jones was held to a season low and high 3 points.

The final game for Grand Ronde was played Saturday afternoon. Not a good game for Grand Ronde in the first half. Lenny Logan led Grand Ronde with 25 points. Final score was 86-59.

Special thanks goes to the following sponsors of the team. Everyone wishes to thank you for your help. Next time we'll smoke'em!

Merle Leno, Pat Mercier, Boranza, Jeff Hofenbredl, Ed Larson, Grand Ronde Shopping Center, Greg Archuleta, and the Tribal Council all contributed needed funds for the trip.

## Oregon Opener April 28th

Oregon's general trout season opens the fourth Saturday of April, which means that the 1990 opener will be April 28 - the latest opening date possible.

The late opening could have important effects on some fisheries, such as those that are best right after ice-off. The shallow-water fishing for lake trout at Crescent Lake is best as the ice breaks up, so a late opening could mean that the best fishing conditions were before the season opens. When considering fishing areas that have been good in the past, check local conditions before going. If we have late spring, and late ice-off, then such fisheries could be as good as usual.

Although many state waters are open year-round, and a few do not open until later, this late-April opener is considered by most anglers to be the opening of trout season. There are many variations, however, so be sure to check the official angling regulations; they are available from any business selling hunting and angling licenses, any regional department of fish and wildlife office or the main office of the Oregon Department of Fish and Wildlife, Box 59, Portland, OR > 97207 (503 229-5403).
