### Tribal Members and Friends

On May 6, 1990, we will hold our last General Council meeting until September.

We have had a lot of fun over the past few months with the Door Prize Drawings and 50/50 Drawings and I just wanted to thank all of you for participating in them. On May 6th, we will have a Door Prize Drawing and I want to encourage all of you to come and participate. There is no cost for the drawing, and I can assure you the Door Prize will be worth it!

Thanks again for coming and participating in the drawings, and I hope to see you all again in the fall.

### Farmers Home to Begin New Guaranteed Community Loan Program

(Portland, Oregon) - The Farmers Home Administration is extending its guaranteed loans to community program projects, thereby expanding its lending ability, FmHA State Director Donald d. Thompson said today.

Until now, all of FmHA's loans for water and sewer systems, fire stations, health clinics and other community facilities, have been direct loans from the agency to the borrower.

"With the addition of guaranteed loans, we can now assist communities that are able to qualify for commercial loans with the support of an FmHA guarantee," Thompson said.

Under this program, FmHA guarantees a loan made by a bank, savings and loan, insurance company, Federal Land Bank or other qualified lender against a certain percentage of loss. Since the mid-1980's, guarantees have become the major component of FmHA's farm loan program, accounting for more than 50 percent of all farm loans.

The 1990 fiscal year appropriations bill authorized \$74.5 million in guaranteed loans for water and waste disposal loans and \$23.9 million for other community facilities on a national basis.

Prospective borrowers and lenders interested in the program should contact Farmers Home Administration District Offices at Ontario, Clackamas and Eugene.

### Our Special Thanks!

To every one who supported me for my International trip to Liverpool, England to play All-Star Football. Also for all the fund-raisers and the ones who helped in any way and for all the personal donations that were sent to me. It was very much appreciated. The trip went well and I had lots of fun there. I was glad to have represented our Community and my Tribe and School. This was an experience of a life time one I will never forget.

Thank You!
